Message from The Clergy

Easter Season

Dear Saints of Holy Comforter, Pat and I have had the blessings of being in the beautiful mountains of North Carolina with family and friends. It's been delightful and calming. We anticipated many such feelings as we ventured out on the "journey" not knowing what to see or find. Needless to say we had a wonderful time.

The warm expectation we felt in our journey to be with family and friends are the same we began to experience on our journey home ward. It is family we are returning home to at Holy Comforter.

Easter season is our opportunity to grow into family where ever God has blessed us to be. New life and new beginnings. Let the love of this Easter season begin a new and deeper relationship with our family here at Holy Comforter.

Blessings, Bill Reineking

Announcements

We're gearing up for an exciting VBS craft project, but we

need your help!

Please donate **adult-size shoe box tops** - we need at least 50 of them to make our craft a success. You can drop them off in the church office by the end of this month (May).

Thank you for supporting our VBS creativity!

Good News Garden Dedication

Following the 10:30am service on Rogation Sunday, May 25 by the Vegetable Gardens next to the Food Pantry building.

The mission of the Good News Gardens movement, as led by the Episcopal Church, is to partner with people in transformational agrarian ministry that feeds body, mind and spirit. Produce from the garden is included in food distributed through our Saturday Food Pantry ministry.
